FOR IMMEDIATE RELEASE

Simplification Consultant Celebrates Grand Opening Ribbon-Cutting of Professional Services Small Business
Simplified by Jess to Host Ribbon Cutting at Greater Boca Raton Chamber of Commerce on Wednesday, January 10, 2018.

BOCA RATON, FL, December 11 – Simplified by Jess announces a ribbon-cutting ceremony for its recent launch as a new small business in South Florida. Simplified by Jess offers organizational services for professional and personal purposes with specialties in brand management, event planning, as well as digital, home and life organization.

The Greater Boca Raton Chamber of Commerce will host the January 10, 2018, 1:00pm ribbon-cutting in their boardroom. Chamber representatives, colleagues, family and friends will assist in celebrating this business milestone for Simplified's Principal, Jessica Maxson.

“My passion is to create order out of chaos. What I love to do most, which is organize, most people avoid - there is a reason you haven't started or completed a particularly chaotic project yet, and that's where I come in to streamline your personal and professional life through organization.” said Jessica Maxson, Principal.

Media are also invited to the ribbon-cutting at the Greater Boca Raton Chamber of Commerce boardroom at 1800 North Dixie Highway in Boca Raton on January 10th between 1pm - 2pm. Please RSVP directly to Jess's inbox by emailing jess@simplifiedbyjess.com.

###

Simplified by Jess is a brand management, event planning and life simplification consultancy. Through harmonious collaboration with clients, Simplified integrates client insights into actionable ideas and processes to bridge the divide between strategy and execution as a consultancy. Additionally, the easy-to-use planning tool-kits substantially improve personal and professional organizational development skills.
